# ARTHUR'S PIZZA™

**35 McKeon Street, Maroubra**

**Ph: 9344 8865**

**www.arthurspizza.com.au**

**OPEN 7 DAYS**

**Fully Licensed Restaurant**

## History:

ARTHUR'S PIZZA™ was first established in Charing Cross back in 1970. Even in those days Arthur set the standard as far as pizza goes, introducing Sydneysiders to a new style of pizza with alternative ingredients such as seafood, mushroom, pepperoni and other exciting ingredients. Until then, only cheese, tomato and olives were usually served.

In 1974, ARTHUR'S PIZZA™ Oxford St Paddington was established. In 1989, Arthur further expanded ARTHUR'S PIZZA™ to Randwick, one of Sydney's greater restaurant hubs, and 1994 saw another ARTHUR'S PIZZA™ launch at Maroubra Beach. Again in 1997 ARTHUR'S PIZZA™ Oxford Street Mall, Bondi Junction was launched, maintaining the tradition and continuing the success of the original ARTHUR'S PIZZA™.

Arthur is somewhat of a pioneer when it comes to pizza. He claims to be one of the first to introduce pizza to Australia and use the conveyer belt type oven. Arthur is able to perfect the authentic Italian pizza flavour using this type of equipment found in all of his restaurants, maintaining quality, consistency and great value for money, as you would expect from all of ARTHUR'S PIZZA™ restaurants.

## Name:

The name ARTHUR'S PIZZA™ belongs to the original and current owner Arthur Premetis. Former tenants of the Oxford Street Paddington Restaurant, challenged the ownership and rights to ARTHUR'S PIZZA™ in the Supreme Court of New South Wales, but Justice Ian Gzell ruled in favour of Arthur.

Arthur's passion and determination has built a reputable business under the name ARTHUR'S PIZZA™ over the last 40 years, and still continues to grow and expand thanks to your support and loyalty.
